

SLIDING SERIES

Model 35D in Oil-Rubbed Bronze with Aqua-Tex Glass

MODEL 34D/35D FRAMELESS SLIDER

WaterFall's Model 34D and 35D Frameless Sliding Enclosures offer contemporary styling with a "Euro" style round header and "Thru-the-Glass" Towel Bars. Two frameless tempered glass panels are supported by Heavy-Duty Sealed Ball-Bearing rollers for effortless operation. Numerous design features and a wide range of available sizes are complemented by Waterfall's ability to fabricate custom units in virtually any combination of size, finish, custom glass and in-line or return panels.
